

## MARVEL ARAFAT GEMINI

**S**ali Arafat commonly referred to as Marvel Arafat Gemini is a self taught programmer and a **graphics designer** at Divine Tech.

He is a 17 year old boy who sat his Uganda Certificate of Education Examinations in two consecutive years of 2020 and 2021, the Years of a deadly Covid 19.

He is a skilful boy with skills in craft making, story writing, graphic designing and a Programmer.

Gemini started programming in 2020 with the help of his **Bro Joel** who opened a door way to the **Developers World** for Marvel Arafat. *(Much Appreciation Bro)*

Marvel Arafat Gemini is now a Web Developer with skills in;

- All Html versions including HTML5
- CSS including CSS3
- JavaScript with skills in J-Query

Gemini is now working on **PHP** for Server-side scripting Language with Form submission and data encryption.

When it comes to JavaScript Frameworks Marvel Arafat Gemini is still perfecting **Frontend Technology** with Node, Express, React Native and Redux.

Marvel Arafat Gemini ambitions are;

- To become a **Full Stack Developer** in Web Development.
- To become both Mobile and Desktop Application developer with both **C++ and Java**.
- To become a Data Scientist with **Python**
- To make lots of projects whether Freelance or Passion

This is the Web Address for my **Github** Site <https://marvelarafat.github.me>

Which is not a ssh website and due to https some devices recognise it as a threat and this is caused due to the certificate error which can't be recognised by Google but to ignore this you can click **advance** and then continue to the given **link** like displayed above.
